## 11. Infection control measures of COVID-19

Preventing the spread of infection for COVID-19, we take the following measures to hold the conference.

### 【Secure a space and prevent infection】

- 1) We do not hand over any food and drink.
- 2) All related staffs will also wear facial masks.
- 3) Sneeze guards are installed at the reception.
- 4) We will check the body temperature for all staff.
- 5) We will provide hand sanitizers at the reception and each entrance.
- 6) We will disinfect all the microphones and equipment.

### 【Notification for in-person participants】

- 1) Please always wear facial masks.
- 2) If any of the following conditions below apply, please refrain from participating the conference.
  - A: When you have a fever over 37.5 degrees
  - B: When you are experiencing cough, pharyngeal pain or stuffy
  - C: When you are under health observation at a health center, etc.
  - D: When you have traveled abroad during the period specified by the government
    - \* Includes the case of contacting a person who returned to Japan during that period.
  - E: When you are feeling not well (especially includes having taste and smell disorders or strong fatigue.)

## 12. Notification for people who participate in Live-streaming
