

Accessibility Policy

The 15th Asian-Pacific City Summit website aims at being classed as the Japanese Industrial Standards JIS X 8341-3:2016 “Design guidelines in consideration of the elderly and persons with disabilities Information and communications equipment, software and services Part 3: Web content”, working to ensure and improve accessibility.

Target Conformance Level

JIS X 8341-3:2016 web accessibility conformance level AA compliant

Note: “Compliant” is based on the notation defined in the “JIS X 8341-3:2016 response Level Notation Guidelines for Web Content, April 2021 Edition” by the Web Accessibility Infrastructure Committee of the Info-communication Access Council.

[JIS X 8341-3:2016 response Level Notation Guidelines for Web Content](#)

Scope

This policy applies to the pages of the 15th Asian-Pacific City Summit website.

(<https://site2.convention.co.jp/15apcs/>)
