| Special Session 【SS】 Open discussion with Asian U-40 surgeons -Prevention of pancreatic fistula development- | 4 |
| Symposium合計 | 26 |
| Symposium 【SY-1】 Liver transplantation for HCC: New expanded indications | 3 |
| Symposium 【SY-2】 Best strategy for multiple colorectal liver metastases with multimodal therapy and surgery | 10 |
| Symposium 【SY-3】 New criteria of resectability for pancreatic cancer | 7 |
| Symposium 【SY-4】 Difficulty assessment of HBP surgery | 3 |
| Symposium 【SY-5】 Optimal preoperative biliary drainage for malignant biliary obstruction in HBP surgery | 3 |
| Video session合計 | 25 |
| Video session 【VS-1】 Highly advanced HBP surgery by U-40 young surgeon | 5 |
| Video session 【VS-3】 Hepatectomy for giant HCCs and CCCs | 4 |
| Video session 【VS-4】 Tips and tricks: Living donor liver transplantation | 3 |
| Video session 【VS-5】 Tips and tricks: Laparoscopic liver resection | 6 |
| Video session 【VS-8】 Tips and tricks: Laparoscopic distal pancreatectomy | 3 |
| Video session 【VS-9】 Tips and tricks: Pancreatic reconstruction | 4 |
| Panel discussion合計 | 9 |
| Panel discussion 【PD-1】 What is optimal multidisciplinary management of advanced HCC? | 1 |
| Panel discussion 【PD-2】 Optimal surgical method and survival outcomes for ICC | 2 |
| Panel discussion 【PD-3】 Optimal surgical method and survival outcomes for advanced gallbladder cancer | 4 |
| Panel discussion 【PD-4】 What is the optimal preoperative treatment for resectable and borderline resectable pancreatic cancer? | 2 |
| Workshop合計 | 18 |
| Workshop 【WS-1】 Evidence-based management of postoperative drainage in HBP surgery | 2 |
| Workshop 【WS-2】 Management of highly advanced HBP surgery for super-elderly patients | 7 |
| Workshop 【WS-3】 Perioperative nutrition management in HBP surgery | 4 |
| Workshop 【WS-4】 Safety of the conversion surgery for unresectable pancreatic cancer | 3 |
| Workshop 【WS-6】 Surgical management for pancreatic neuroendocrine tumor | 2 |
| Video symposium合計 | 15 |
| Video symposium 【VSY-1】 Navigation and image-guided liver surgery | 3 |
| Video symposium 【VSY-3】 Laparoscopic cholecystectomy for severe acute cholecystitis | 3 |
| Video symposium 【VSY-4】 Lymph node and nerve plexus dissection with the SMA nerve plexus preservation for resectable pancreatic cancer | 2 |
| Video symposium 【VSY-5】 SMA approach in laparoscopic and robotic pancreaticoduodenectomy | 3 |
| Video symposium 【VSY-6】 Anatomical landmarks to safely perform laparoscopic HBP surgery | 4 |
| Requested Session合計 | 23 |
| Requested Session 【RS-1】 Basic research in HBP surgical field | 14 |
| Requested Session 【RS-3】 Treatment strategy for bile duct stenosis after biliary reconstruction | 4 |
| Requested Session 【RS-4】 Surgical strategy and outcomes in duodenal cancer | 1 |
| Requested Session 【RS-6】 Essential anatomical points in HBP surgery | 4 |
| 主題応募数合計 | 120 |
| Free Paper (Oral) | 77 |
| Free Paper (Poster) | 68 |
| 総数 | 265 |
