

			7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00			
Room 1	1F	Main Hall		Multidisciplinary 1 Overviewing guidelines - East versus West -	Multidisciplinary 2 Reviewing landmark clinical trials	Plenary Session	Nishi Takashi Memorial Lecture	Luncheon Seminar 1 Biomarkers in upper GI cancers and the landscape of Esophago-gastric Junctional Cancer Sponsored by MSD K.K. Oncology Medical Affairs	Presidential Lecture	Multidisciplinary 3 Conversion surgery for metastatic gastric cancer 2	Multidisciplinary 4 Perioperative treatment for GEJ cancer				<div style="text-align: center;"> Presidential Dinner InterContinental Yokohama Grand * Invited Guests Only * Seated Style </div>					
Room 2	5F	501	Morning Seminar 1 Priority need for elderly vulnerable patients with gastric cancer Radicality? Maintaining nutritional status? Sponsored by Otsuka Pharmaceutical Factory, Inc.		Medical Oncology 1 Biomarker-driven therapeutics for gastric cancer		Luncheon Seminar 2 The Past and Future Perspective of Japanese Key Drug in Advanced Gastric Cancer Sponsored by TAIHO PHARMACEUTICAL CO., LTD.	Masaki Kitajima Memorial Lecture	Palliative Care Remaining issues for gastric cancer care	Radiation Oncology Updates in radiotherapy	Medical Oncology 2 Current status and future perspective of targeted and systemic therapy for gastric cancer									
Room 3	5F	502		Surgery 1 Reconstruction after laparoscopic/robotic total gastrectomy (Sponsored Symposium 1) Sponsored by Medicaroid Corporation / Sysmex Corporation	Surgery 2 Surgical strategies for GEJ cancer (Sponsored Symposium 2) Sponsored by Covidien Japan Inc.		Luncheon Seminar 3 Latest procedures and stylization of esophagogastric junction cancer using VISERA ELITE III system Sponsored by Olympus Marketing, Inc.		Surgery 3 Tips and Pitfalls in robotic surgery in advanced gastric cancer (Sponsored Symposium 3) Sponsored by Intuitive Surgical G.K.	Surgery 4 Postoperative function, QOL and PROs										
Room 4	5F	503		Endoscopy 1 Laparoscopy and Endoscopy Cooperative Surgery (LECS) & Endoscopic full thickness resection	Endoscopy 2 Management of Barrett's esophagus	Access to gastric cancer care - financial background of society and centralization -	Luncheon Seminar 4 Practical Use of hinotori™ Made in Japan Sponsored by Medicaroid Corporation / Sysmex Corporation		Translational 1 Artificial intelligence in the management of gastric cancer	Translational 2 Molecular and pathological classifications of gastric and GEJ cancer										
Room 5	4F	414+415		Oral 1 Advanced gastric cancer	Oral 2 Prognostic factor	Oral 3 Management of gastric cancer	Oral 4 Translational research & Biomarker	Luncheon Seminar 5 Reshaping & Unraveling Surgery for Gastric Cancer, RUS : Surgical Navigation for Minimally Invasive Gastrectomy Sponsored by Hutom	Oral 5 Surgery 1	Oral 6 Surgery 2	Evening Seminar 1 Current Insights in Gastric Cancer Chemotherapy Sponsored by Yakult Honsha Co.,Ltd.									
Room 6	4F	416+417		Oral 7 GIST & Neuroendocrine tumor & Pathology	Oral 8 Navigation surgery	Oral 9 Neoadjuvant therapy 1	Oral 10 Neoadjuvant therapy 2		Oral 11 Adjuvant therapy & Gastric cancer in elderly patients	Oral 12 EGJ cancer	Oral 13 Perioperative management & ERAS									
Exhibition /Poster Viewing	3F	301-304		Exhibition 8:30-17:00 Poster Viewing 10:00-16:00								Poster Q&A								
Poster	3F	315		Poster Viewing 10:00-16:00								Poster Q&A

Luncheon Seminar / Morning Seminar / Evening Seminar

June 16 (Fri.) 2023

All times are shown in Japan Standard Time (JST).
All sessions will be live streamed.

			7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00	
Room 1	1F	Main Hall			Multidisciplinary 5 Conversion surgery for metastatic gastric cancer 1	Multidisciplinary 6 Treatment of peritoneal disease		Jin Pok Kim Lecture	Luncheon Seminar 6 How Has Cancer Immunotherapy Changed Gastric Cancer Pharmacotherapy? Sponsored by Bristol-Myers Squibb K.K. / ONO PHARMACEUTICAL CO., LTD.	Multidisciplinary 7 Updates of ongoing clinical trials		Multidisciplinary 8 Optimal treatment strategy for gastric cancer in elderly patients 1						
Room 2	5F	501	Morning Seminar 2 Biomarker-based Treatment Strategies in Advanced Gastric and Gastroesophageal Junction Cancer Sponsored by DAIICHI SANKYO COMPANY, LIMITED		Hereditary gastric cancer (prevention and treatment)	Translational 3 Updates of liquid biopsy for gastric cancer			Luncheon Seminar 7 Treatment strategy for Her-2 positive gastric cancer Sponsored by Chugai Pharmaceutical Co., Ltd.	Translational 4 Omics medicine for gastric cancer		Multidisciplinary 9 Ideal classification and staging modalities for GEJ cancer						
Room 3	5F	502			Surgery 5 Laparoscopic/robotic gastrectomy for advanced gastric cancer 1	Surgery 6 Indication and surgical procedure of proximal gastrectomy (Sponsored Symposium 4) Sponsored by Johnson & Johnson K.K.				Surgery 7 ERAS and nutrition after gastrectomy		Surgery 8 Sharing surgical skills for GEJ cancer (video session)						
Room 4	5F	503			Translational 5 Advances in precision medicine, genomic profiling, and imaging technique	Endoscopy 3 Endoscopic treatment for gastric and GEJ cancer			Luncheon Seminar 8 RAS Optimization for Gastric Cancer Sponsored by Covidien Japan Inc.	Medical Oncology 3 Pharmacotherapy for GIST (advanced/recurrent)		Networking sessions for young investigator -sharing optimal treatment strategies-						
Room 5	4F	414+415		Oral 14 Non-surgical treatment	Oral 15 Epidemiology	Oral 16 Postoperative complication	Oral 17 Function preserving gastrectomy		Luncheon Seminar 9 Taking on the World with Japanese Endoscopic AI Sponsored by AI Medical Service Inc.	Oral 18 Endoscopy	Oral 19 Molecular biology	Evening Seminar 2 History of standard chemotherapy for gastric cancer in Japan Sponsored by NIPPON KAYAKU						
Room 6	4F	416+417			Oral 20 Robotic surgery 1	Oral 21 Robotic surgery 2	Oral 22 Robotic surgery 3		Luncheon Seminar 13 CGCA Luncheon Seminar Sponsored by Qilu Pharmaceutical Co., Ltd.	Oral 23 Surgery 3	Oral 24 Surgery 4	Oral 25 Chemotherapy	Oral 26 Clinical study					
Exhibition /Poster Viewing	3F	301-304	Exhibition 8:30-16:30 Poster Viewing 10:00-15:10										Poster Q&A

Room 1	1F	Main Hall			Multidisciplinary 10 Optimal treatment strategy for gastric cancer in elderly patients 2	Multidisciplinary 11 Diagnosis and treatment strategy poorly cohesive cancer of GEJ		Endoscopy 4 Early Detection, screening		Luncheon Seminar 10 Surgery for gastric cancer: how to reduce complications, preserve function, and heritage to next generation? Sponsored by MIYARISAN PHARMACEUTICAL CO. LTD.	General Assembly / Closing Ceremony						
Room 2	5F	501		Morning Seminar 3 Gastric Cancer Treatment from a Surgeon's Perspective Sponsored by Bristol-Myers Squibb K.K. / ONO PHARMACEUTICAL CO., LTD.	Pathology Refining poorly cohesive cancers	Contributions of big data science to gastric cancer treatment		Medical Oncology 4 Immunotherapy for gastric cancer									
Room 3	5F	502			Surgery 9 Laparoscopic/robotic gastrectomy for advanced gastric cancer 2		Surgery 10 Navigation surgery for early gastric cancer		Luncheon Seminar 11 Proximal gastrectomy: For better postoperative function Sponsored by Johnson & Johnson K.K.								
Room 4	5F	503			Patient Advocacy Session Part 1: Information for patients	Patient Advocacy Session Part 2: 2nd line chemotherapy	Patient Advocacy Session Part 3: Function preserving surgery	Patient Advocacy Session Part 4: QOL evaluation		Luncheon Seminar 12 The latest Treatment in Gastric Cancer and Treatment Sequencing Sponsored by Eli Lilly Japan K. K.							
Room 5	4F	414+415			Oral 27 Surgical innovation	Oral 28 QOL & Biomarker	Oral 29 Laparoscopic surgery 1	Oral 30 Laparoscopic surgery 2		Luncheon Seminar 14 CGCA Luncheon Seminar Sponsored by Qilu Pharmaceutical Co., Ltd.							
Room 6	4F	416+417			Oral 31 Nutrition	Oral 32 Surgery 5	Oral 33 Surgery 6	Oral 34 Molecular biology & Biomarker
