

Program at a Glance **Day 3** March 30, Tue

	8:30	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00
Room 1		E International Symposium 2 In search of new concepts of the basal ganglia by new techniques		J Special Lecture 5 Kensaku Mori			J Special Lecture 6 Michisuke Yuzaki	J Collaborative Session5 CLEM: the forefront of the method filling the gaps between light and electron microscopy		J Symposium 28 Cortical neural microcircuit and its remodeling during learning			
Room 2		E Meeting Symposium 13 Spatial distribution of synapse and brain function			Sponsored Seminar 1 Bio Research Center Co.,Ltd.			E Symposium 24 Shedding new lights on cell polarity		E Symposium 29 Neurobiology of single axon: structure and function			
Room 3		J Meeting Symposium 14 Inter-organ communication networks maintain organismal homeostasis			Sponsored Seminar 2 Intermedical Co.,Ltd.			E Symposium 25 Metabolic regulation in the liver and its pathophysiological consequences		J Symposium 30 Front in progress on cancer stem cell research -molecular basis and novel therapeutic strategies			
Room 4		E Symposium 22 Cutaneous sensation: Processing mechanisms and their applications			Sponsored Seminar 3 Leica Microsystems K.K.			E Symposium 26 New horizons in crosstalk between nociceptive and self-defense system		J Symposium 31 Emerging technologies for live-cell imaging and analysis			
Room 5		E Meeting Symposium 15 Mechanisms in the maintenance of cardiac homeostasis			Sponsored Seminar 4 Nikon Solutions Co., Ltd.			J Symposium 27 Cardiovascular physiological response and pathologic analysis		E Symposium 32 Frontiers in heart research: morphogenesis, structure and function			
Room 6		E Meeting Symposium 16 Mitochondrial disease: update			Sponsored Seminar 5 FUJIFILM Wako Pure Chemical Corporation			E Meeting Symposium 17 Regulatory factors and functions for developmental neurotoxicity		J Symposium 33 Functional relationships among the sensation, the emotion and the motion from anatomical and physiological view			
Room 7		J Joint Program on Education 3 Model Lecture: Anatomy, Physiology, and Clinical Medicine on Kidney			Sponsored Seminar 6 Thermo Fisher Scientific Inc.			J Emergency Session 2 The ideal and reality of web-based examination		J Joint Program on Education 4 Educational Workshop			
Room 8		J Symposium 23 Up-to date of continence medicine			Sponsored Seminar 7 JEOL Ltd.			Oral Presentation 26 Higher brain function, etc.	Oral Presentation 28 Embryology, Regenerative Medicine, Development, Growth, Aging	Oral Presentation 30 Ion channels, Receptors			
Room 9		Oral Presentation 22 Gross anatomy ①	Oral Presentation 24 Gross anatomy ②		Sponsored Seminar 8 Panasonic System Solutions Japan Co., Ltd.			Oral Presentation 27 Sensory function, Sensory organ	Oral Presentation 29 Others	Oral Presentation 31 Endocrine			
Room 10		Oral Presentation 23 Cartilage, Bone, Connective tissue ①	Oral Presentation 25 Cartilage, Bone, Connective tissue ②							Oral Presentation 32 Pathophysiology			
Poster		Poster Presentation Student Presentation On-demand									Poster ③ Q&A(chat)		
Exhibition		Exhibition											

※**J** : Presentation language is Japanese.

※**E** : Presentation language is English.
