

The 79th Annual Scientific Meeting of the Japanese Association for Thoracic Surgery

Time Schedule

Day1: Tuesday, October 20

※As of September 9

E

 English Session

	Floor	Room	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00
Room 1	1	Main Hall	E 310 SY1 Rhythm or Protection? Surgical Decision-making in LSPAF: Maze vs. Beating-heart LAA Closure		305 SY4 Lifetime Management and Surgical Strategy for Acute Type A Aortic Dissection		学会企画1 診療問題委員会		Lecture of the President of the Thoracic	Special Lecture1	306 SY8 Lifetime management of aortic diseases with genetic background	学会企画2 医療倫理	Opening Ceremony
Room 2	2	Room A	202 SY1 Application of artificial intelligence to cardiovascular and thoracic surgery		E 307 SY5 The Next Generation of Heart Transplantation	201 SY2 Medical device development for the treatment of thoracic disease					Afternoon Seminar	302 SY9 Ischemia assessment in CABG (FFR,NHPR,etc)	
Room 3	2	Room B-1	308 SY2 Translational Advances in Cardiothoracic Surgery: The Role of Large Animal Models in Biomedical Innovation		E JATS/STS Joint Symposium 90min,	E 301 SY6 Clinical management of ischemic heart disease in light of upcoming guideline updates					Oral Presentation	304 SY10 Surgery for right heart valve in adult congenital heart disease	
Room 4	2	Room B-2	322 WS1 Surgical Management of Congenital Coronary Artery Anomalies and Arteriovenous Fistulas	Oral Presentation	女性医師の会	303 SY7 Mechanical circulatory support in single ventricle				Oral Presentation	Afternoon Seminar	327 WS2 Optimal anticoagulation therapy after surgical left atrial appendage closure	
Room 5	1	Sakura	309 SY3 Contemporary Evidence-Based Approaches to SAVR and TAVR in Low-Risk Patients		311 VS 3D Models: Visualization Aids or Decision-Making Tools? A Reevaluation of the Clinical Utility of 3D	315 PD1 The Pros and Cons of Preemptive TEVAR		Luncheon Seminar			Afternoon Seminar	319 PD2 How to treat severe TR with right heart failure: Approaching the indications and limitations of catheter treatment and	
Room 6	1	Room C-2			Oral Presentation						Afternoon Seminar	Oral Presentation	
Room 7	1	Room C-1			Oral Presentation						Oral Presentation		
Room 8	1	Room D	E 401 SY1 Treatment outcomes and clinical impact of the TNM classification 9th edition for thymic epithelial tumors		404 PD2 Exploring future strategies in pneumothorax: Recurrence prevention and management of	417 WS1 Current status of simulation education and training				Oral Presentation	E 402 SY2 Contemporary Indications and Clinical Significance of Pneumonectomy in Lung Cancer		
Room 9	1	Room E	405 PD1 Impact of COVID-19 infection on lung transplant recipients: onset, association with CLAD, and prognosis		406 PD3 Mid- to Long-Term Outcomes of Minimally Invasive Surgery for Patients with Thymic Epithelial Tumors	408 PD4 Preventive measures and Management of Postoperative Complications Following Extended Surgery				Oral Presentation			
Room 10	1	Swan	502 SY1 Surgical Techniques and Treatment Outcomes of Robot- Assisted Esophagectomy		501 SY2 Traetment strategy for cT3br/T4 esophageal cancer	509 VS Left recurrent laryngeal nerve lymph node dissection ~Video clinic with unedited videos~				Oral Presentation	503 PD1 Indications and Pitfalls of Conversion Surgery for Esophageal and Esophagogastric Junction Cancer		
Poster Venue	1 [separate building]	Annex Hall								Poster Presentation			
	Floor	Room	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00

The 79th Annual Scientific Meeting of the Japanese Association for Thoracic Surgery

Time Schedule

Day2: Wednesday, October 21

※As of September 9

English Session

	Floor	Room	7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00
Room 1	1	Main Hall			学会企画3 チーム医療委員会	E AATS/JATS ITSOS			Presidential Addresses	Lecture of the President of the Esophageal Surgery	President's Program	E 325 WS4 Reconsider Aortic Valve Surgeries related to	318 PD6 Root replacement at borderline age. Native valve vs Prosthetic valve				
Room 2	2	Room A		Morning Seminar	326 WS3 New Frontiers in Translational Cardiac Surgery Enabled by Next- Generation	203 WS Joint thoracic surgery for locally advanced thoracic malignancies: perioperative treatment, adjacent organ resection, cardiopulmonary support, and aortic stenting	Oral Presentatio n				Oral Presentation	Afternoon Seminar	JATS-JSMP Joint Symposium				
Room 3	2	Room B-1			313 PD3 Perioperative Management of CABG to Reduce Surgical Site Infection		Oral Presentation				Oral Presentation	Afternoon Seminar	205 PD1 Intraoperative troubleshooting in robot-assisted surgery in the field of thoracic surgery				
Room 4	2	Room B-2			Oral Presentation		学会企画5 JATS Research Project Award	Oral Presentatio n			E 314 PD4 Surgical strategies for congenital aortic valve disease	Afternoon Seminar	317 PD7 Current Status and Challenges of Destination Therapy				
Room 5	1	Sakura			Oral Presentation						E 316 PD5 Advanced Surgical Strategies for High- Risk Patients with Thoracoabdominal Aortic Aneurysms	Afternoon Seminar	312 PD8 Real world in CABG (multi- vessel? MICS? OPCAB? ONCAB?)				
Room 6	1	Room C-2			Oral Presentation		学会企画6 臓器移植委員会	Oral Presentatio n	Luncheon Seminar		409 PD5 Optimizing Surgical Training for Thoracic Surgeons in the New Workstyle Era	Afternoon Seminar	E 410 PD7 Shaping the Surgeon: Global and Domestic Fellowships That Made the Difference				
Room 7	1	Room C-1			Oral Presentation	416 WS2 The role of surgery in the multimodality treatment of mediastinal germ cell tumor	Oral Presentatio n				407 PD6 Challenging Surgery through a Minimally Invasive Approach	Oral Presentatio n	413 WS4 Reconsidering treatment strategies for bronchopleural fistula	412 WS5 Surgical treatment strategies for pulmonary infectious diseases:~ evaluation of surgical indications and extent of resection, and techniques for reducing perioperative complications			
Room 8	1	Room D			学会企画4 JATS-NEXT委員会		Oral Presentation				E 414 WS3 Innovations and New Techniques in Lung Transplantation	Afternoon Seminar	E 411 PD8 Salvage surgery for local recurrence after segmentectomy for lung cancer				
Room 9	1	Room E			504 PD2 Treatment Strategies for Super-Elderly Patients with Esophageal	Oral Presentation	506 WS2 Training Program for Young Esophageal Surgeons in the Era of Robot-Assisted Surgery	Oral Presentatio n			505 PD3 Best choice for gastric tube reconstruction after esophagectomy : Ivor Lewis vs. McKeown method	Oral Presentation					
Room 10	1	Swan			508 WS1 Troubleshooting for Mediastinoscopic Esophagectomy		Oral Presentation									Wine & Cheese	
Poster Venue	1 [sepa rate buildi ng]	Annex Hall						Poster Presentatio n									
	Floor	Room	7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00

The 79th Annual Scientific Meeting of the Japanese Association for Thoracic Surgery

Time Schedule

Day3: Thursday, October 22

※As of September 9

English Session

	Floor	Room	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00
Room 1	1	Main Hall			学会企画7 労働環境委員会	Special Lecture 2	Lecture of the President of the Cardiovascular Surgery		学会企画8 医療安全講習会	学会企画9 専門医制度委員会	Closing Ceremony
Room 2	2	Room A		Oral Presentation	323 WS5 Innovations in Aortic Treatment Brought by Advances in Imaging Modalities						
Room 3	2	Room B-1		Oral Presentation	321 WS6 Systemic pulmonary shunt: Future prospects					Oral Presentation	
Room 4	2	Room B-2			Oral Presentation				Oral Presentation		
Room 5	1	Sakura		Oral Presentation	324 WS7 Impella as a Potential Therapeutic Standard in Heart Failure Management – Exploring Its Scope and Limitations from Acute to Chronic Phases			Luncheon Seminar		328 VW Technical challenges in valve repair for infective endocarditis	
Room 6	1	Room C-2			Oral Presentation					320 WS8 MCS in CABG: State-of-the-Art Strategies	
Room 7	1	Room C-1		Oral Presentation	204 PD2 Current Status and Future Prospects of Task-Sharing in Donation of Brain-Dead Donor Hearts and Lungs					415 WS8 Novel findings of lung transplantation from Japan	
Room 8	1	Room D		Oral Presentation	418 WS6 Surgical strategies for challenging cases after ICI and TKI treatment in lung cancer				Oral Presentation	Oral Presentation	
Room 9	1	Room E		Oral Presentation	420 WS7 Ongoing Lung Cancer Surgical Clinical Trials	Japanese Joint Committee of Lung Cancer Registration				419 WS9 Facing the Rising Challenge of High- Risk Cases: Limits and Perspectives in Lung Cancer	
Room 10	1	Swan		Oral Presentation	507 WS3 Techniques for gastric tube reconstruction after esophagectomy				Oral Presentation	510 Pathway to Certification: JES board certified esophageal surgeon and JSES	
Poster Venue	1 [separate building]	Annex Hall		JATS Case Presentation Awards							
	Floor	Room	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00
