October 16 (Fri.) 12:00~13:00 Educational Seminar

Educational Seminar 1

Room 2 Sakura

Language: Japanese | Slide: English | Translated Subtitles

How Reversible Is Airway Remodeling?

— Asthma Pathophysiology and Therapeutic Perspectives from the Airway Epithelium

Chairperson: **Takuro Sakagami**(Department of Respiratory Medicine, Faculty of Life Sciences, Kumamoto University)

Speaker: **Yu Hara**(Department of Pulmonology, Yokohama City University Graduate School of Medicine)

Co-sponsored: **AstraZeneca K.K. Medical dept.**

Educational Seminar 2

Room 3 Room D

Language: Japanese | Slide: Japanese | Translated Subtitles

Exploring the potential of proteomics in allergic diseases

Chairperson: **Jun Miyata**(Division of Pulmonary Medicine, Department of Medicine, Keio University School of Medicine)

Speaker: **Hideaki Morita**(Department of Allergy and Clinical Immunology National Research Institute for Child Health and Development)

Co-sponsored: **FonesLife Corporation**

Educational Seminar 3

Room 4 Room E

Language: Japanese | Slide: Japanese | Translated Subtitles

The importance of assessing itch in the management of atopic dermatitis.

Chairperson: **Tomonobu Ito**(Department of Dermatology, Tokyo Medical University)

Speaker: **Yozo Ishiuji**(Department of Dermatology, Jikei University School of Medicine)

Co-sponsored: **AbbVie GK**

Educational Seminar 4

Room 5 Swan

Language: English | Slide: English | ---

Shaping the Future of Allergy Care: Optimizing Antihistamine Selection in Allergic Rhinitis and Urticaria

Chairperson: **Ignacio J Ansotegui**(Department of Allergy & Immunology, Hospital Quironsalud Bizkaia,Spain)

Burden of Allergic Rhinitis and ARIA Updates

Speaker: **Bryan L. Martin**(Otolaryngology, The Ohio State University, USA)

Seeing the Whole Patient: Comorbidities and Personalized Care

Speaker: **Sandra N. Gonzalez-Diaz**(Regional Center of Allergy and Clinical Immunology, UniversityHospital, Universidad Autónoma de Nuevo León, Mexico)

Beyond Symptom Control: Why Non-Drowsy Matters

Speaker: **Mario Morais-Almeida**(Allergy Center, CUF Descobertas Hospital, Portugal)

Pediatric Allergic Rhinitis: Balancing Efficacy, Safety, and Daily Functioning

Speaker: **Alessandro Fiocchi**(Pediatric Hospital Bambino Gesù IRCCS, Rome, Italy)

Co-sponsored: **Opella**

Educational Seminar 5

Room 6 Room C-1

Language: Japanese | Slide: Japanese | Simultaneous interpretation

Clinical Remission in Asthma Inhalation Therapy

Chairperson: **Etsuko Tagaya**(Department of Internal Medicine, Division of Respiratory Medicine, Tokyo Women's Medical University)

The Role and Challenges of Clinical Remission in Asthma Management:Perspectives from Recent Guideline Updates

Speaker: **Etsuko Tagaya**(Department of Internal Medicine, Division of Respiratory Medicine, Tokyo Women's Medical University)

From Basic Research to Asthma Treatment: Revisiting the Importance of Long-Term Disease Control

Speaker: **Hironobu Tsubouchi**(Division of Respirology, Rheumatology, Infectious Diseases, and Neurology, Department of Internal Medicine, Faculty of Medicine, University of Miyazaki)

Co-sponsored: **GlaxoSmithKline K.K.**

Educational Seminar 6

Room 7 Room C-2

Language: Japanese | Slide: English | Translated Subtitles

The Importance of Medication Adherence in Asthma Control

Chairperson: **Yuji Tohda**(Kindai University Hospital, Managing Director For Kindai University Hospital Group)

Speaker: **Toshiyuki Koya**(Niigata University Hospital for Medical and Dental Sciences, Uonuma Regional Medical Education Center)

Co-sponsored: **KYORIN Pharmaceutical.,Ltd.**

October 16 (Fri.) 12:00~13:00 Educational Seminar

Educational Seminar 7 Room 8 Room A | Language: Japanese | Slide: Japanese | Translated Subtitles

Don't Miss or Overlook HAE：How Accurate Diagnosis, Disease Understanding, and Patient-Reported Outcomes (PROs) Lead to Better Care

Chairperson: **Michihiro Kono**(Department of Dermatology and Plastic Surgery, Akita University Graduate School of Medicine)

Pathogenesis, classification, and treatment of angioedema based on patient characteristic

Speaker: **Michihiro Hide**(Hiroshima City Hospital Organization)

The importance of PRO and SDM in hereditary angioedema and how to elicit honest insights regarding symptoms（daily life）and treatment management

Speaker: **Takekuni Nakama**(Kurume University Hospital/Professor Emeritus, Kurume University School of Medicine)

Co-sponsored: **Otsuka Pharmaceutical Co.,Ltd**

Educational Seminar 8 Room 9 Room B-1 | Language: English | Slide: English | ---

Pollen-Food Allergy Syndrome: An Update on Diagnosis and Management

Chairperson: **Tetsuya Terada**(The Allergy Center, Division of Head and Neck Surgery,Department of Otolaryngology–Head and Neck Surgery, Osaka Medical and Pharmaceutical University)

Speaker: **Yuji Nakamaru**(The Allergy Center, Department of Otolaryngology–Head and Neck Surgery, Hokkaido University Hospital)

Co-sponsored: **Tanabe Pharma Corporation/TEIKOKU SEIYAKU CO., LTD.**

Educational Seminar 9 Room 10 Room B-2 | Language: Japanese | Slide: Japanese | Translated Subtitles

Acute Attack Treatment of Hereditary Angioedema (HAE)

Chairperson: **Takashi Matsushita**(Department of Dermatology, Kanazawa University Graduate School of Medical Sciences)

Bridging the Gap Between the WAO Guidelines and Real-World On-Demand Treatment in HAE

Speaker: **Daisuke Honda**(Department of Nephrology, Graduate School of Medicine, Chiba University)

An Update on the Differential Diagnosis and Management of Angioedema

Speaker: **Yuko Chinuki**(Department of Dermatology, Shimane University Faculty of Medicine)

Co-sponsored: **KAKEN PHARMACEUTICAL CO.,LTD.**

Educational Seminar 10 Room 11 Annex Hall 1 | Language: Japanese | Slide: English | Translated Subtitles

Expanding Treatment Options with Biosimilars: Shaping the Future of Asthma and Allergic Rhinitis Management

Chairperson: **Kimihiro Okubo**(Professor Emeritus, Nippon Medical School)

Towards Better Patient Quality of Life in Severe Allergic Rhinitis

Speaker: **Kayoko Kawashima**(Department of Otolaryngology, Head and Neck Surgery, Osaka Habikino Medical Center)

Latest Advances in IgE-Targeted Therapy in Severe Allergic Asthma

Speaker: **Yasuhiro Gon**(Division of Respiratory Medicine, Department of Internal Medicine, Nihon University)

Co-sponsored: **CELLTRION HEALTHCARE Japan K.K.**

Educational Seminar 11 Room 12 Annex Hall 2 | Language: English | Slide: English | ---

Recent Insights for Atopic Dermatitis: From Bench to Bedside

Chairpersons: **Mirei Kanzaki**(Department of Dermatology, Tokyo Medical University Ibaraki Medical Center)

Naoko Okiyama(Department of Dermatology, Graduate School of Medical and Dental Sciences, Institute of Science Tokyo)

Molecular Signatures in Inflammatory Skin Diseases: Linking Immune Atlases to Atopic Dermatitis Therapy

Speaker: **Saeko Nakajima**(Department of Drug Discovery for Inflammatory Skin Diseases, Kyoto University Graduate School of Medicine)

A Novel Therapeutic Strategy of IL-13 Single-Cytokine Inhibition Based on the "Triad" Theory of Atopic Dermatitis

Speaker: **Yu Sawada**(Department of Dermatology, University of Occupational and Environmental Health, School of Medicine)

Co-sponsored: **Eli Lilly Japan K.K.**

October 17 (Sat.) 12:40～13:40　Educational Seminar

Educational Seminar 12　Room 1　Main Hall　Language: Japanese　Slide: Japanese　Translated Subtitles

COPD Exacerbations and Mucus Plugging

Chairperson: **Ichiro Kuwahira**(Respiratory Disease Center Tokyo General Hospital; Professor Emeritus,Tokai University)

Addressing the "Invisible Obstruction" of COPD: Reconsidering the Role of Mucus Plugs

Speaker: **Satoshi Marumo**(Department of Respiratory Medicine, KITANO Hospital)

Addressing Residual Risk of COPD Exacerbations: Reconsidering the Role of Type 2 Inflammation

Speaker: **Koichiro Takahashi**(Respiratory Medicine, Saga University Hospital)

Co-sponsored: **Sanofi K.K.／Regeneron Japan KK**

Educational Seminar 13　Room 2　Sakura　Language: English　Slide: English　Translated Subtitles

Anaphylaxis: What is new and what do we need to know?

Chairperson: **Motohiro Ebisawa**(Clinical Research Center for Allergy and Rheumatology, National Hospital Organization Sagamihara National Hospital)

Speaker: Margitta Worm(Charité – Universitätsmedizin Berlin, Germany)

Co-sponsored: **Viatris Pharmaceuticals Japan G.K.**

Educational Seminar 14　Room 3　Room D　Language: Japanese　Slide: 1.English/2. Japanese　Translated Subtitles

The Effective Use of Topical Therapies in Atopic Dermatitis

Chairpersons: **Akio Tanaka**(Department of Dermatology, Graduate School of Biomedical and Health Sciences, Hiroshima University)
Takeshi Nakahara(Department of Dermatology, Graduate School of Medical Sciences, Kyushu University)

Topical Therapy in the New Era of Atopic Dermatitis: The Japanese Way - From Historical Lessons to Modern Strategies

Speaker: **Yoko Kataoka**(Department of Dermatology, Osaka Habikino Medical Center)

Topical Treatment Strategies for Sustained Remission in Atopic Dermatitis —Key Characteristics Required of Topical Therapies—

Speaker: **Sei-ichiro Motegi**(Department of Dermatology,Gunma University Graduate School of Medicine)

Co-sponsored: **Otsuka Pharmaceutical Co.,Ltd**

Educational Seminar 15　Room 4　Room E　Language: 1.English/ 2.Japanese　Slide: English　Translated Subtitles

Hereditary Angioedema（HAE） Seminar ~Updates in HAE Management~

Chairpersons: **Seido Ooka**(St.Marianna University School of Medicine Department of Rheumatology and Allergology)
Michihiro Hide(Hiroshima City Hospital Organization)

Clinical features and pathophysiology of hereditary angioedema (HAE): A diagnostic approach Informed by Differential Diagnosis

Speaker: **Takahiko Horiuchi**(Fukuoka City Organization, Fukuoka City Hospital)

Practical Management of HAE

Speaker: **Yuzo Suzuki**(Clover Hospital)

Co-sponsored: **Takeda Pharmaceutical Company Limited**

Educational Seminar 16　Room 5　Swan　Language: English　Slide: English　---

25 Years of 3gAllergy testing: CCD Interference, Diagnostic Innovation, and the Future of Immunotherapy

Chairpersons: **Mitsuhiro Okano**(Department of Otorhinolaryngology, International University of Health and Welfare, School of Medicine, Narita, Japan.)
Mário Morais-Almeida(President of the World Allergy Organization and Chair of the Allergy Center of CUF-Descobertas Hospital (World Allergy Organization Center of Excellence), Lisbon, Portugal.)

25 Years of 3gAllergy testing: The Emerging Challenge of CCD Interference

Speaker: **Mário Morais-Almeida**(President of the World Allergy Organization and Chair of the Allergy Center of CUF-Descobertas Hospital (World Allergy Organization Center of Excellence), Lisbon, Portugal.)

Basic Aspects of IgG4 Testing in Sublingual Immunotherapy

Speaker: **Kenji Izuhara**(Division of Allergy, Department of Biomolecular Sciences, Saga Medical School)

Clinical Watchouts for Managing Immunotherapy

Speaker: **Daiju Sakurai**(Department of Otorhinolaryngology, Head and Neck Surgery, Interdisciplinary Graduate School of Medical Science, University of Yamanashi)

Co-sponsored: **Siemens Healthineers**

Educational Seminar 17　Room 6　Room C-1　Language: Japanese　Slide: Japanese　Simultaneous interpretation

Critical Roles of IL-5 and Eosinophils in the Pathogenesis of Severe Asthma

Chairperson: **Kazuto Matsunaga**(Department of Respiratory Medicine and Infectious Disease,Graduate School of Medicine, Yamaguchi University)

Speaker: **Jun Miyata**(Division of Pulmonary Medicine, Department of Medicine, Keio University, School of Medicine)

Co-sponsored: **GlaxoSmithKline K.K.**

October 17 (Sat.) 12:40～13:40　Educational Seminar

Educational Seminar 18　Room 7　Room C-2

Language: 1.English/2.Japanese　Slide: 1.English/2.Japanese　Translated Subtitles

＊ 12:40～13:50

【Part1】2026 Thermo Fisher Scientific Allergy Research Award

Characterising antibody responses in early life that prevent, promote, or predict the development of peanut allergy

Presenter: **Anna Asarnoj**(Thermo Fisher Scientific; Karolinska Institutet and Karolinska University Hospital, Stockholm, Sweden)

Recipient: **Craig McKenzie**(Population Allergy Group, Murdoch Children's Research Institute, Parkville, Australia)

【Part2】Management of persistent food allergy from childhood through adulthood

Chairperson: **Akiko Yagami**(Department of Allergology ,Fujita Health University School of Medicine; Collaborative Department of Advanced Allergy and Immunology, Fujita Health University School of Medicine; General Allergy Center, Fujita Health University School of Medicine)

Approach to the Rapid Increase in Tree Nut Allergy

Speaker: **Katsumasa Kitamura**(Department of Allergy, Aichi Children's Health and Medical Center)

IgE Testing in Adult Food Allergy: Clinical Significance and Future Perspectives

Speaker: **Akiko Sugiyama**(Department of Allergology, National Hospital Organization, Fukuoka National Hospital)

Co-sponsored: **Thermo Fisher Diagnostics K.K.**

Educational Seminar 19　Room 8　Room A

Language: Japanese　Slide: Japanese　Translated Subtitles

Considering Topical Therapy for Atopic Dermatitis

Chairpersons: **Yukihiro Ohya**(GraduatedSchool of Medical Sciences, Nagoya City University)

Hidehisa Saeki(Department of Dermatology, Nippon Medical School)

Beyond the Atopic March: From Atopic Dermatitis to the Allergy Network—Towards a Brighter Future Through Healthy Skin

Speaker: **Kiwako Yamamoto – Hanada**(Division of Behavioral Support and Department of General Allergy, Allergy Center, National Center for Child Health and Development)

Latest Topical Treatment Strategies for Atopic Dermatitis: Based on the Pathophysiology of Barrier Dysfunction

Speaker: **Toshifumi Nomura**(Department of Dermatology, Institute of Medicine, University of Tsukuba)

Co-sponsored: **Torii Pharmaceutical Co., Ltd.**

Educational Seminar 20　Room 9　Room B-1

Language: Japanese　Slide: Japanese　Translated Subtitles

Epidemiology and Optimization of Treatment for Allergic Rhinitis

Chairperson: **Mamoru Yoshikawa**(Toho University Faculty of Medicine Department of Otorhinolaryngology)

Speaker: **Masahiro Nakamura**(Juntendo University Faculty of Medicine Department of Otorhinolaryngology)

Co-sponsored: **Nippon Chemiphar Co., Ltd.**

Educational Seminar 21　Room 10　Room B-2

Language: Japanese　Slide: Japanese　Simultaneous interpretation

Chairperson: **Atsuyuki Igarashi**(Igarashi Dermatology Clinic Higashi-Gotanda)

Urticaria Management in a New Era ～Learn about the latest guideline and new treatment～

Speaker: **Yuko Chinuki**(Department of Dermatology, Shimane University Faculty of Medicine)

Could a New Drug Be the Breakthrough for Treating Refractory Chronic Urticaria?

Speaker: **Hiroki Kanda**(Mita Dermatology Clinic)

Co-sponsored: **Novartis Pharma KK**

Educational Seminar 22　Room 11　Annex Hall 1

Language: Japanese　Slide: English　Translated Subtitles

Frontiers in Bronchiectasis: Tackling Neutrophilic Inflammation

Chairpersons: **Koichiro Asano**(The Institute of Medical Sciences, Tokai University)

Koichi Fukunaga(Division of Pulmonary Medicine, Department of Medicine, Keio University School of Medicine)

Practical Management of Bronchiectasis

Speaker: **Naoya Tanabe**(Department of Respiratory Medicine, Graduate School of Medicine, Kyoto University)

A New Era of Targeting Neutrophilic Inflammation

Speaker: **Hisako Matsumoto**(Department of Respiratory Medicine and Allergology, Kindai University Faculty of Medicine)

Co-sponsored: **Insmed GK.**

Educational Seminar 23　Room 12　Annex Hall 2

Language: English　Slide: English　---

Expanding Therapeutic Options: The Right Patients for JAK Inhibitors

Chairpersons: **Yukie Yamaguchi**(Department of Environmental immuno-Dermatology, Yokohama City University Graduate School of Medicine)

Masatoshi Jinnin(Department of Dermatology, Wakayama Medical University)

Positioning Cibinqo in Clinical Practice

Speaker: **Naoko Okiyama**(Department of Dermatology, Graduate School of Medical and Dental Sciences,Institute of Science Tokyo)

A New Era in Alopecia Areata Management: Mechanism of Action and Treatment Strategies of LITFULO®

Speaker: **Takehiro Takahashi**(Department of Dermal Aging Control, HealthSpanResearch Center (HeSReC), Tohoku University)

Co-sponsored: **Pfizer Japan Inc.**

October 18 (Sun.) 12:10～13:10　Educational Seminar

Educational Seminar 24　Room 1　Main Hall　Language: Japanese　Slide: Japanese　Translated Subtitles

Rethinking the Significance of Type 2 Inflammation Control in the Context of One Airway, One Disease

Chairpersons: **Hisako Matsumoto**(Department of Respiratory Medicine and Allergology, Kindai University Faculty of Medicine)
Takuro Sakagami（Department of Respiratory Medicine, Faculty of Life Sciences, Kumamoto University）

Revisiting Severe Asthma Management in the One Airway Era: A Basic Science Perspective
— Updates on the Role of IL-4/IL-13 in Type 2 Inflammatory Diseases —

Speaker: **Hiroki Kabata**(Division of Pulmonary Medicine, Department of Medicine, Keio University School of Medicine)

Can Mucus Plugs Become a Treatment Target?
～Prompt Management of Nasal Symptoms, Airflow Limitation, and Mucus Plugs～

Speaker: **Tsunahiko Hirano**(Division of Respiratory Medicine and Infectious Disease, Graduate School of Medicine, Yamaguchi University)

Co-sponsored: **Sanofi K.K.／Regeneron Japan KK**

Educational Seminar 25　Room 2　Sakura　Language: English　Slide: English　Translated Subtitles

The Future of Anaphylaxis Treatment Strategies with Intranasal Adrenaline

Chairperson: **Makoto Nagata**(Higashimatsuyama Medical Association Hospital)

Speaker: **Motohiro Ebisawa**(National Hospital Organization Sagamihara National Hospital)

Co-sponsored: **Alfresa Pharma Corporation**

Educational Seminar 26　Room 3　Room D　Language: English　Slide: English　Simultaneous interpretation

Beyond attack control, Toward normalization of life in HAE - Role of Long-term Prophylaxis and ACARE Network -

Chairperson: **Atsushi Fukunaga**(Department of Dermatology, Osaka Medical and Pharmaceutical University)

The goals of treatment are to achieve total control of the disease and to normalize patients' lives.

Speaker: **Markus Magerl**(Charité – University in Berlin)

Progress and Challenges of HAE Care in Japan - Based on HAE Activities at Hiroshima University as ACARE -

Speaker: **Akio Tanaka**(Department of Dermatology, Graduate School of Biomedical and Health Sciences, Hiroshima University)

Co-sponsored: **CSL Behring K.K.**

Educational Seminar 27　Room 4　Room E　Language: Japanese　Slide: English　Translated Subtitles

Future Perspectives on the Management of Bronchiectasis: Pathophysiology and Treatable Traits

Chairperson: **Hiroto Matsuse**(Division of Respiratory Medicine, Department of Internal Medicine, Toho University Ohashi Medical Center)

Speaker: **Hiroyuki Nagase**(Division of Respiratory Medicine and Allergology, Department of Medicine, Teikyo University School of Medicine)

Co-sponsored: **Insmed GK Medical Affairs**

Educational Seminar 28　Room 6　Room C-1　Language: Japanese　Slide: Japanese　Simultaneous interpretation

Rethinking Unmet Medical Needs in Severe Asthma and CRSwNP　– A Unified Airway Management Perspective –

Chairpersons: **Mitsuhiro Okano**(Otorhinolaryngology, Head and Neck Surgery, International University of Health and Welfare)
Junpei Saito(Department of Respiratory Medicine, Tokai University, School of Medicine; Unit of Respiratory Medicine, Tokai University Hachioji Hospital)

Unmet Needs in Severe Asthma: The Importance of Integrated Upper and Lower Airway Management

Speaker: **Junpei Saito**(Department of Respiratory Medicine, Tokai University, School of Medicine; Unit of Respiratory Medicine, Tokai University Hachioji Hospital)

Unmet Needs in CRSwNP: The Importance of a Unified Airway Approach

Speaker: **Mitsuhiro Okano**(Otorhinolaryngology, Head and Neck Surgery International University of Health and Welfare)

Co-sponsored: **GlaxoSmithKline K.K.**

Educational Seminar 29　Room 7　Room C-2　Language: English　Slide: English　---

Latest insights and treatment strategies for allergic conjunctivitis

Chairperson: **Dai Miyazaki**(Division of Ophthalmology and Visual Science, Tottori University)

Frontiers in the regulation of inflammation in allergic conjunctivitis

Speaker: **Tomoaki Ando**(Atopy Research Center, Juntendo University Graduate School of Medicine)

Clinical problems and treatment strategies for allergic conjunctivitis

Speaker: **Ken Fukuda**(Department of Ophthalmology and Visual Science, Kochi Medical School, Kochi University)

Co-sponsored: **Santen Pharmaceutical Co., Ltd.**

October 18 (Sun.) 12:10~13:10 Educational Seminar

Educational Seminar 30

Room 8 Room A

Language: Japanese | Slide: Japanese | Translated Subtitles

Pediatric Patient Journey ~ Rethinking Atopic Dermatitis and Asthma Through the Lens of the Atopic March ~

Chairpersons: **Kiwako Yamamoto-Hanada**(Allergy Center, Medical Support Center for Japan Environment and Children's Study (JECS),National Center for Child Health and Development)

Shigemi Yoshihara(Department of Pediatrics, Dokkyo Medical University)

Toward a Healthier Future for Pediatric Patients with Atopic Dermatitis

Speaker: **Taiji Nakano**(Department of Pediatric Graduate School of Medicine, Chiba University)

Present Control Shapes the Future: Significance of Asthma Management Based on Age of Onset

Speaker: **Takumi Takizawa**(Department of Pediatrics, Graduate School of Medicine, Gunma University)

Co-sponsored: **Sanofi K.K.／Regeneron Japan KK**

Educational Seminar 31

Room 9 Room B-1

Language: Japanese | Slide: English | Translated Subtitles

New Advances in IL-31-Targeted Itch Management: Insights from the Accumulated Clinical Experience with Nemolizumab in Japan for Atopic Dermatitis and Prurigo Nodularis

Chairpersons: **Hidehisa Saeki**(Department of Dermatology, Nippon Medical School)

Norito Katoh(North Campus, Kyoto Prefectural University of Medicine)

Pathogenesis and Treatment of Atopic Dermatitis: New Options Focusing on Itch and Future Prospects

Speaker: **Takeshi Nakahara**(Department of Dermatology, Graduate School of Medical Sciences, Kyushu University)

An Update on the Pathogenesis and Treatment of Prurigo Nodularis

Speaker: **Hiroyuki Murota**(Department of Dermatology, Graduate School of Biomedical Sciences, Nagasaki University)

Co-sponsored: **Maruho Co, Ltd.**

Educational Seminar 32

Room 10 Room B-2

Language: Japanese | Slide: Japanese | Translated Subtitles

Reconsidering "Pain" in Allergy Practice: A Compassionate Approach to Children During Needle Punctures

Chairperson: **Takanori Imai**(Department of Pediatrics, Showa Medical University School of Medicine)

Child-Centered Comfort Care: Managing Injection Pain Using the 5Ps Approach

Speaker: **Mika Hirata**(Juntendo University Graduate School of Health Care and Nursing / School of Health Care and Nursing)

Aiming for Pain-Free Allergy Care : Practical EMLA Implementation and Establishing In-Hospital Protocols

Speaker: **Junichiro Tezuka**(Department of Allergy and Respiratory Medicine, Fukuoka Children's Hospital)

Co-sponsored: **Sato Pharmaceutical Co., Ltd.**

Educational Seminar 33

Room 11 Annex Hall 1

Language: Japanese | Slide: English | Translated Subtitles

Treatment Strategies in Asthma Management: The Role of Triple Therapy in Clinical Practice

Chairperson: **Yuji Tohda**(Kindai University School；Kindai University Hospital)

Speaker: **Koichi Fukunaga**(Keio University Hospital；Pulmonary Division, Department of Medicine, Keio University School of Medicine)

Co-sponsored: **AstraZeneca K.K.**

Educational Seminar 34

Room 12 Annex Hall 2

Language: Japanese | Slide: English | Translated Subtitles

Sublingual Immunotherapy: Evidence and Clinical Significance

Chairperson: **Kimihiro Okubo**(Emeritus professor, Nippon Medical School)

The Role of Sublingual Immunotherapy in the Atopic March

Speaker: **Go Matsuyama**(Yūkarigaoka Allergy and Children's Clinic)

The Current Status of Sublingual Immunotherapy Based on Reports from Japan

Speaker: **Syuji Yonekura**(Department of Otorhinolaryngology–Head and Neck Surgery, Graduate School of Medicine, Chiba University)

Co-sponsored: **TORII PHARMACEUTICAL CO., LTD.**

October 16 (Fri.) 13:40~14:40 Sweets Seminar

Sweets Seminar 1 Room 3 Room D

Language: Japanese | Slide: Japanese | Translated Subtitles

A New Perspective on the Pathophysiology of Obstructive Lung Diseases

Chairperson: **Koichiro Takahashi**(Department of Respiratory Medicine, Saga University Hospital)

Burden of Asthma Comorbidities: A Chronic Rhinosinusitis with Nasal Polyps (CRSwNP) Perspective

Speaker: **Yuji Nakamaru**(Allergy Center, Department of Otolaryngology-Head and Neck Surgery, Graduate School of Medicine, Hokkaido University)

Type 2 Inflammation and Mucus Plug Formation in COPD: Pathophysiological Mechanisms and Clinical Implications

Speaker: **Naoya Tanabe**(Department of Respiratory Medicine, Kyoto University Hospital)

Co-sponsored: **Sanofi K.K.**

Sweets Seminar 2 Room 7 Room C-2

Language: Japanese | Slide: Japanese | Translated Subtitles

Connecting Generations in HAE Care

Chairpersons: **Eisuke Inage**(Department of Pediatrics and Adolescent Medicine, Juntendo University Faculty of Medicine)
Yuko Chinuki(Department of Dermatology, Shimane University School of Medicine)

Pediatric HAE:Diagnosis, Treatment, and Long-Term Care

Speaker: **Seiya Masukane**(Department of Pediatrics, Shimane University School of Medicine)

Genetic Diagnosis and Multidisciplinary Care in Hereditary Angioedema (HAE)

Speaker: **Kono Michihiro**(Department of Dermatology Plastic & Reconstructive surgery, Akita University School of Medicine)

Co-sponsored: **Torii Pharmaceutical Co., Ltd.**

Sweets Seminar 3 Room 9 Room B-1

Language: Japanese | Slide: Japanese | Translated Subtitles

Bridging the Gap and Advancing HAE Care

— Five-Year Activities of DISCOVERY through Multidisciplinary Collaboration and Perspectives for the Future —

Chairpersons: **Michihiro Hide**(Hiroshima City Hospital Organization, Hiroshima City Hiroshima Citizens Hospital, Department of Dermatology)
Takahiko Horiuchi(Fukuoka City Hospital)

Opening Remarks: **Michihiro Hide**(Hiroshima City Hospital Organization, Hiroshima City Hiroshima Citizens Hospital, Department of Dermatology)

Part1：Overview of HAE and Activities of the DISCOVERY

— Practical Initiatives through Multidisciplinary Collaboration —

Speaker: **Yuji Nomoto**(Department of Palliative Care Medicine, Niigata City General Hospital)
Atsushi Fukunaga(Department of Dermatology/OMPU Allergy Center, Osaka Medical and Pharmaceutical University)
Akio Tanaka(Department of Dermatology, Hiroshima University)

Part2：Panel Discussion “Reflecting on the Challenges and Future of HAE and Rare Diseases”

— Challenges and Perspectives from Different Points of View by Members of the DISCOVERY —

Panelist: **Yuji Nomoto**(Department of Palliative Care Medicine, Niigata City General Hospital)
Atsushi Fukunaga(Department of Dermatology/OMPU Allergy Center, Osaka Medical and Pharmaceutical University)
Akio Tanaka(Department of Dermatology, Hiroshima University)
Makiko Matsuyama(HAEJ Registered NPO, Japan)

Closing Remarks: **Takahiko Horiuchi**(Fukuoka City Hospital)

Co-sponsored: **Diagnostic Consortium to Advance the Ecosystem for Hereditary Angioedema(DISCOVERY)**

October 17 (Sat.) 14:30~15:30 Sweets Seminar

Sweets Seminar 4 Room 3 Room D

Language: Japanese | Slide: Japanese | Translated Subtitles

A Novel Strategy for Refractory Chronic Cough Complicated by Asthma: A Dual Approach Targeting Inflammation and Nerves

Chairperson: **Hisako Matsumoto**(Department of Respiratory Medicine & Allergology, Kindai University Faculty of Medicine)

Speaker: **Tsutomu Tamada**(Faculty of Medicine, Division of Respiratory Medicine, Tohoku Medical and Pharmaceutical University)

Co-sponsored: **KYORIN Pharmaceutical Co., Ltd.**

Sweets Seminar 5 Room 6 Room C-1

Language: Japanese | Slide: Japanese | Simultaneous interpretation

Clinical Remission in Moderate Asthma: A Clinical Perspective

Chairperson: **Hironori Sagara**(Showa Medical University Hospital)

Clinical Remission in Moderate Asthma: What Should We Aim For?

Speaker: **Hironori Sagara**(Showa Medical University Hospital)

Why Aim for Clinical Remission? Exploring Its Rationale and Strategies

Speaker: **Takuro Sakagami**(Respiratory Medicine, Faculty of Life Sciences, Kumamoto University)

Co-sponsored: **GlaxoSmithKline K.K.**

Sweets Seminar 6 Room 8 Room A

Language: Japanese | Slide: Japanese | Translated Subtitles

The Significance of Early Intervention at Each Stage of Life

Chairpersons: **Shigemi Yoshihara**(Department of Pediatrics, Dokkyo Medical University; Allergy Center, Dokkyo Medical University Hospital)

Koichi Fukunaga(Keio University Hospital; Pulmonary Division, Department of Medicine, Keio University School of Medicine)

Why Early Intervention Matters in Pediatric Asthma Treatment～Preserving Future Lung Function in Clinical Practice～

Speaker: **Junichiro Tezuka**(Department of Allergy and Pulmonology, Fukuoka Children's Hospital)

Why regulating airway mucus hypersecretion matters in adult asthma treatment.

~ Progressing from symptom improvement to clinical remission ~

Speaker: **Etsuko Tagaya**(Department of Respiratory Medicine,Tokyo Women's Medical University)

Co-sponsored: **Sanofi K.K.／Regeneron Japan KK**

Sweets Seminar 7 Room 9 Room B-1

Language: Japanese | Slide: Japanese | Translated Subtitles

Sublingual Immunotherapy

Chairperson: **Sankei Nishima**(Honorary Director, National Hospital Organization Fukuoka National Hospital)

Allergen Immunotherapy: Insight from Mechanistic and Real-World Studies

Speaker: **Hideaki Morita**(Department of Allergy and Clinical Immunology, National Research Institute for Child Health and Development)

Sublingual Immunotherapy: Aiming to Overcome Allergic Rhinitis

Speaker: **Minoru Gotoh**(Department of Otorhinolaryngology, Nippon Medical School)

Co-sponsored: **TORII PHARMACEUTICAL CO., LTD.**
