

General Information for Participants

1.The Meeting Format

JCTCT2023 will be held as a hybrid conference combining on-site and virtual that enables participation on the web, due to the spread of COVID-19 circumstances.

2.How to participate

In Person

Upon your registration and complete payment, registration confirmation email will be sent. Please keep your QR Code indicated in the email since you will need the code to receive your name tag at the venue.

Web participation

- The meeting can be live-streamed or viewed as on-demand. You can participate virtually under a stable internet connection. Please log in Web conference site on the top page of JSTCT2023.
- For virtual participation, Registration ID (Email address) and Password are required to log in. If you have question during live-streamed program, please use Q&A function instead of using microphone.
