

Synchrotron Symposium

<Date> 13:30-17:20, 31st January 2020

<Venue> Kyushu Synchrotron Light Research Center : Seminar Room (2nd Floor)
(Yayoiga-oka 8-7, Tosu-shi, Saga)

<Language> Japanese and English

<Theme> "Synchrotron Researches-for Social Contribution by Efforts Toward Academia-Industry Cooperation -"

<Program and Speaker>

Time	Program and Speaker
13:30-13:40	<p>Opening Remarks Dr. Kazuhide INOUE (Executive Vice President, Kyushu University) (TBD)</p>
13:40-13:50	<p>Greetings of the guest Mr. Hitoshi SAWADA (Director of Industrial Labor Relations Division, Saga Prefecture)</p>
13:50-14:00	<p>Greetings of the guest Mr. Atsushi OKU (General Manager of Scientific Research Institutes Division, MEXT)</p>
14:00-14:45	<p>Keynote Lecture Dr. Atsushi URAKAWA (Professor, Delft University of Technology)</p>
14:45-15:15	<p>Invited Lecture① Dr. Yoshikazu TAKEDA (Director of Aich Synchrotron Radiation Center)</p>
15:15-15:45	<p>Invited Lecture② Dr. Tetsuya Nakamura (Institute of Multidisciplinary Research for Advanced Materials, Tohoku Univ. (IMRAM) / PhoSIC)</p>
15:45-16:05	Coffee Break
16:05-16:30	<p>Invited Lecture③ Dr. Toshiki SENOO (Director of Kyushu Synchrotron Light Research Center)</p>
16:30-16:55	<p>Invited Lecture④ Dr. Hiroshi YAMADA (Director of Sumitomo Electric Data Solution Center)</p>
16:55-17:20	<p>Invited Lecture⑤ Dr. Atushi TAKAHARA (Professor, Institute for Materials Chemistry and Engineering, Kyushu University)</p> <p>Closing Remarks Dr. Yuji SOEJIMA (Director of Research Center for Synchrotron Light Applications, Kyushu University)</p>
